Raspberry pomegranate slush

Key benefits

- Reduced blood glucose response
- Refreshing after-sports slush

Solution

- **Palatinose™** is a low glycaemic sugar with a milder sugar-like sweetness, resulting in a more balanced flavour profile and a great taste experience.

Recipe

Ingredients	(% w/w)
Raspberry pomegranate slush	
Water	53
Palatinose™	**18**
Pomegranate	17
Raspberry	10
Minor ingredients (e.g. glycerol, vanilla extract, lemon juice, flavour, hydrocolloid)	q.s.

When developing a final product, the food legislation and product standards for each country under consideration must be taken into account.
